## 6. New Business

Gina Hansen spoke about character education and reading goals. Discussed the possibility of writing a book - "How to be a Jaguar". The book would be about how jazz shows respect. The SCC could support this by helping to cover the publishing cost. The SCC could also help financially support two literacy initiatives- funds for classrooms libraries and covering the cost of "Reading A-Z" website subscription.

Amy Skinner talked to the SCC about the importance of school attendance for all of our students, and K/ pre-K in particular. Chronic attendance issues affect scores and achievement.

Teacher Meal on Wednesday, October 22nd- Amie and Steph will organize.

Shelly asked about internet safety with division 2. Is this something we could arrange?

Discussed the possibility of having a food bank fundraiser in February. Food drive at the family dance.

Linda proposed that the SCC purchase a roll of laminating film to assist teachers with material preparations. A discussion arose about where to spend money- literacy related expenses or where? It was decided that the SCC will support the school financially in one way or another.

Popcorn cart- Josie will put the charge on the school mastercard when the gentleman phones that the cart is in. Linda motioned that the SCC purchase the cart because it is needed. Shelly seconded. It was also mentioned as a reminder that the kettle needs to be emptied after the machine is used.
